Pre-payment Discount:

Families who pay the entire year's tuition by September 15 may deduct \$75 per kindergarten student and \$100 per student in grades 1 through 8.

Family Discount:

When several children from the same family are enrolled, entrance fees must be paid for each child. The first two children will be billed at regular tuition rates. Additional children are billed at 50% of the monthly tuition rate.

LUNCH CHARGES

The school lunch program is organized during the first week of school when availability of volunteers is determined. Pricing, scheduling and menus will be sent home at that time.

Students can pay for one lunch at a time, or purchase several lunches in advance. The amount available for hot lunches will show as a credit on your monthly statement. Teachers will record which students have hot lunch. Older students must sign in each time they buy lunch in the cafeteria in order to confirm that the student received a meal on that particular day. Lunches cannot be charged.
